FLEXO		TECHNICAL INFORMATION	
Customer Name	Ascent	4 OUTSIDE UNWIND LEFT EDGE OF COPY DISPENSES FIRST	TERMS & CONDITIONS All sales are subject to Resource Label Group's terms and conditions listed at www.resourcelabel.com/terms-and-conditions. After your final approval, as indicated by your signature, THE PRINTER WILL NOT BE RESPONSIBLE FOR ANY ERRORS OR OMISSIONS THAT YOU FAIL TO ADDRESS ON THIS PROOF AND SUBSEQUENTLY THE FINAL PRINTED PRODUCT. PLEASE CHECK AND VERIFY ALL ASPECTS OF THIS PROOF CAREFULLY AND COMPLETELY, including the following if applicable: text and fonts, logos, layout, colors, and varnish types, color separations, line breaks, spelling, spacing, materials and laminates, sizes, etc. Sizes indicated are exact. Note fax machines will distort image sizes. THIS PROOF IS NOT TO BE USED FOR ACCURATE COLOR REPRESENTATION. Please note: It may not be possible for our presses to match third party prints created on systems outside of our company. PRIVILEGED & CONFIDENTIAL: The attachments, along with the information provided on this proof (drawing), may be confidential and protected by confidentiality agreements, trademarks or copyrights. If you are not the intended recipient please delete this document(s) including its attachments. The unauthorized use or dissemination, reproduction or distribution of the proof (drawing) or its attachments, is prohibited and may be unlawful. All technical data and specifications regarding the raw materials utilized in products produced by Resource Label Group (RLG) companies are sourced from our qualified material suppliers. RLG has not conducted independent testing on these materials to ensure that the materials meet regulatory and suitability requirements applicable to individual customers. Various external factors beyond our control may influence the performance and application of these materials. We advise customers to carry out qualification testing prior to utilizing any product. All RLG products are sold with the understanding that the customer has assessed the suitability of the products for their intended purposes, taking into account factors such as application method, sealing, product stability, duration, elapsed time before use, environmental conditions, and other considerations relevant to their specific application.
Order ID	47-
