Re: SDS Exemption of Lamotrigine Extended-Release Tablets

To whom it may concern,

This letter is in response to your request for a Safety Data Sheet (SDS) for Yiling's **Lamotrigine Extended-Release Tablets**. Please be advised that this requirement is not applicable under Federal OSHA law. The SDS requirement is not applicable due to the following exemption:

Paragraph 1910.1200 (b) (6) (vii) of the OSHA Hazard Communication Standard (Title 29, Code of Federal Regulations) exempts solid oral dosage forms, such as tablets and capsules, from the requirement of SDS forms.

Because of this exemption, Yiling Pharmaceutical Ltd does not maintain SDS forms for solid oral dosage forms.

Should you require additional safety information, please be advised that similar medical emergency information is available in product inserts/outserts shipped with the product, or in sources such as the Physician's Desk Reference.

If you have any questions, please contact our contracted Call Center at 1-877-736-5697.

Sincerely,

Kwok Hang Wu, Ph.D.
